or  
GNM (Diploma) with 3 years of experience, RNRM
- Target Group: In-Service Nurses
- Fee: Rs. 8000/- (subject to change)

**Uniqueness of Programme:**

After completing the Qualification pack participants will be able to:

Apply the management principles and elements of management in day-to-day supervision and management of nursing services in clinical and non-clinical areas, public health units, and education institutions. Nurse Manager Job Role QP is essential because responsibilities of nurses are increasing over time and nurse manager needs to be involved in decision making, planning, establishing procedures, be a team member for quality assurance, accreditation and involved in patient safety. This is supported by various studies, national and international reports. Therefore, Nurse Manager QP is designed and developed which will enhance managerial skills of nurse managers at national and international level.

**Note It is approved in NSQC 40th meeting dated 22-10-2024 at Level 5.5 as per NCVET guidelines.**

Theory Online by Nodal Centre and Practical offline at Hospital/LSC and On-the Job Training (OJT) offline at student work place are compulsory to attend.
