

Indira Gandhi National Open University Regional Centre, NOIDA

Plantation activities under एक पेड़ माँ के नाम

As per the directions received from IGNOU HQs, a series of activities have been conducted by RC NOIDA during Swachhata hi Seva 2024. As a part of the efforts made in this direction, plantation drive was organized by RC NOIDA. In this programme, all the officials and staff members participated with enthusiasm and a total of ten saplings of native plants i.e. Aam, Jamun and Ashok were planted.

Study Centres were also requested to organize plantation drives under this drive and the Study Centres have participated in this drive in an encouraging manner.

Some of the representative photographs/screenshots are being pasted below:

Resource materials (if any): NA

Duration and dates: One Day, 20th October, 2023

Funding (if any): NA

About the Programme:

An educational awareness camp at Bhatiana was organized on 20th October 2023 at Purva Madhyamik Vidyalaya, Bhatiana, Hapur in which student has been trained to learn proper reading and writing Hindi and English language and literature in order to improve their communication skills and fluency of language to create a supportive learning environment. The students have also been educated about their learning goals, life skills, plans to achieve the good marks and sound health. A campaign for Swachhata Hi Seva was also organized and students have participated in the campaign. The students were also informed about the Plastic Free Village Campaign in the awareness camp. The IGNOU RC Noida staff asked the students to keep the village clean and plant more tree in around the village.
